Holiday memories are brought to life in the Stonewood and the interior design team have thought of everything, from storage nooks to worktop space, to make it the perfect base for a staycation. Designed around a modern L-shaped sofa, with handy storage, the comfortable and stylish living space is bursting with natural light from the wide front windows. The log effect electric fire is perfect for cosy nights in. Family dining is a treat in the Stonewood with the low maintenance, stylish L-shaped kitchen, enhanced by warm wooden tones throughout. The cosy and relaxing master bedroom combines greys and yellows with natural wood tones with lots of storage to hide all your holiday must-haves. The dressing area is great for getting ready and there's a handy socket nearby to plug in your styling tools. The same great interior theme flows into the additional bedrooms with lots of wardrobe space for swimwear and summer dresses. Plus, with dim-out blinds in each bedroom, the whole family can snooze in peace.
