2 Bedroom House - Semi-Detached located in London

A cherished semi detached family home, now available for the very first time in nearly 70 years. Owned by the same family since 1956, it offers character, warmth, and huge potential for its next owners.

The ground floor features two generous reception rooms, providing versatile spaces for both relaxing and entertaining. From here, a separate spacious kitchen opens up to a bright dining room, filled with natural light and opening directly onto the south-west facing garden – a wonderful spot to enjoy sunny afternoons and outdoor living. A convenient downstairs W/C completes the ground floor.

Upstairs, the home offers two large bedrooms and a family bathroom, thoughtfully laid out for comfort and practicality.

Outside, the property benefits from a private driveway, an increasingly rare advantage in this desirable North London location.

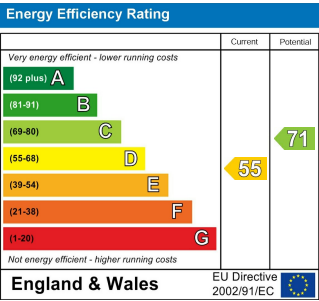

Ideally located within easy reach of both Amos Grove (Piccadilly Line) and Southgate Tube Station, this home benefits from excellent transport links into Central London. The neighbourhood is equally well served by a range of highly regarded schools, local shops, green parks, and everyday amenities, making it a convenient and desirable place to live.

A unique opportunity to secure a chain free property that has been lovingly cared for across generations. Homes like this, so rarely brought to the market, truly don't come around often.
