

BEAUFORT GREEN

New Kings Road, SW6

£900,000

Behind a classic Victorian façade of London stock brick and white stucco, this beautifully refurbished two-bedroom apartment combines period charm with contemporary living.

Steps lead down to the private entrance and welcoming hallway. To the front, the generous principal bedroom features built-in wardrobes, an en suite bathroom, and a large bay window that fills the room with natural light. A second bedroom is located on the raised ground floor, offering flexibility as a guest room, study, or dressing room.

To the rear, a family bathroom sits alongside a bright open-plan kitchen, dining, and living space. White walls, light timber flooring, and overhead skylights enhance the sense of space and light, while integrated appliances provide a sleek finish. Floor-to-ceiling glazing opens directly onto a landscaped south-east-facing garden, creating a seamless connection between indoor and outdoor living and a wonderfully tranquil setting.

Ideally positioned on the Fulham–Chelsea border, this home is moments from the open green spaces of Eel Brook Common, as well as the boutiques, cafés and everyday amenities of the New Kings Road.

Fulham Broadway Underground Station is approximately 0.3 miles away, with Parsons Green Underground Station on the District Line approximately 0.7 miles from the property.
