

BEAUFORT GREEN

St Dionis Road, SW6

£1,350,000

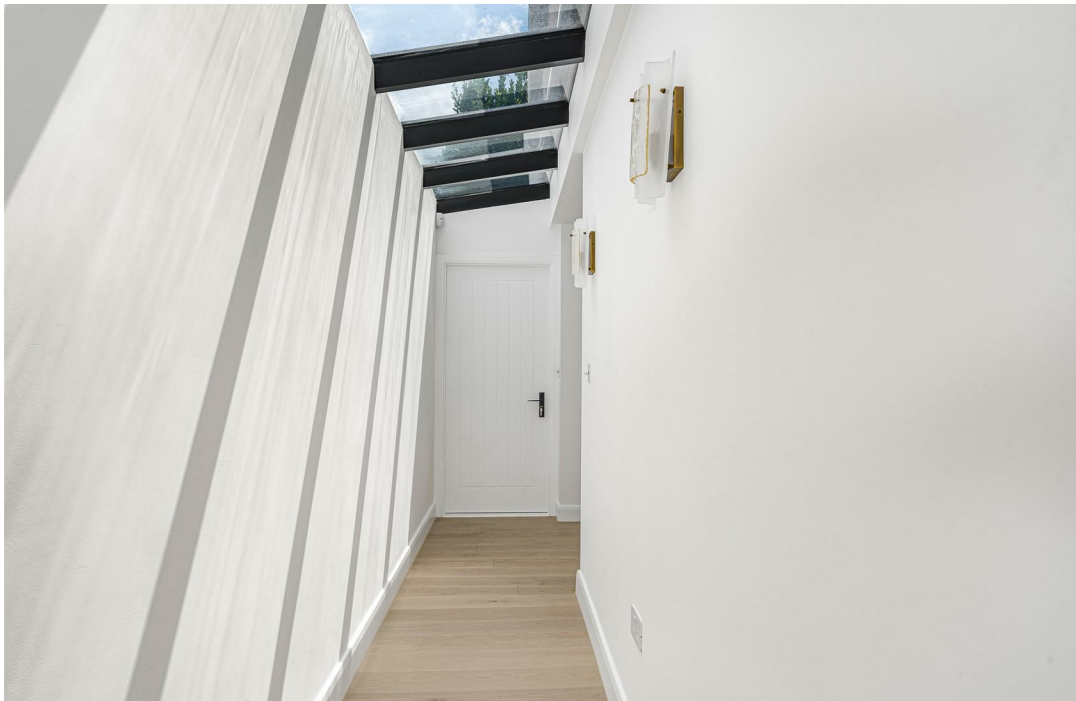

Set within a beautifully converted church, The Chapel is a distinctive Parsons Green home where original character meets considered contemporary design.

The interiors have been finished to an excellent standard, with generous proportions, an abundance of natural light and a calm, refined palette throughout. A spacious reception area creates an inviting setting for both everyday living and entertaining, while two well-sized bedrooms and two modern bathrooms complete the layout.

Subtle reminders of the building's ecclesiastical past give the property a sense of history and individuality, balanced by the comfort and ease of a thoughtfully designed modern home.

Positioned on St Dionis Road, The Chapel is moments from the cafés, restaurants and independent shops of Parsons Green, as well as its leafy residential streets and strong neighbourhood feel. The open spaces of Parsons Green and riverside walks along the Thames are within easy reach, while excellent transport connections provide convenient access across London.

With its architectural history, generous proportions and central Parsons Green setting, this is a home that feels genuinely individual.
