The Stone Family

Tucked away in one of Hove's most quietly coveted enclaves, The Edge at 1b Cambridge Grove is a design-led mews home that effortlessly blends style, substance and a touch of the unexpected. From the moment you arrive, there's a sense that this is something different. Clean architectural lines, private parking and a discreet setting give way to interiors that feel both curated and comfortable, a home designed around modern living, with open-plan flow at its heart.

Step inside and the ground floor opens up into a beautifully considered living space. Light spills through generous glazing, bouncing off crisp finishes and creating an easy connection between cooking, dining and lounging. It's the kind of space made for long brunches, late-night dinners and relaxed evenings with friends. A downstairs WC adds practicality without compromising on style, everything here has its place.

Upstairs, two double bedrooms offer calm, retreat-like spaces. The principal bedroom enjoys its own en-suite bathroom, while a second contemporary bathroom serves the guest bedroom, ideal for sharers, visitors or simply spreading out in comfort. Clean lines, quality fittings and a cohesive design thread run throughout.

Outside, the large private garden is a rare find for a central Hove home. Thoughtfully arranged with seating areas, it's a space that works just as well for morning coffee as it does for summer gatherings under festoon lights. Low-maintenance yet full of potential, it's your own pocket of calm in the city.

And then there's the location. Cambridge Grove places you right in the heart of Hove, moments from independent cafés, artisan bakeries and the easy rhythm of Church Road. The seafront is within reach for weekend walks, cold-water dips or sunset strolls, while excellent transport links keep everything connected. It's central without the noise, vibrant without the chaos.

The Edge isn't just a house, it's a lifestyle. Design-forward, low-fuss and quietly cool, it's a home that understands how you want to live.
