Two Bedroom Detached Bungalow located in Brodict

Set in an elevated position at Mid Mayish, in the heart of Brodict village, Woodlea is a beautifully presented two-bedroom detached bungalow with gorgeous views across Brodict Bay towards Goatfell and Brodict Castle.

The cottage was fully renovated in 2022 with contemporary Karndean flooring and modern electric heating installed throughout - more recently in March this year, the owners installed solar panels, with battery storage, which have vastly reduced the running costs for this immaculate home.

There's a driveway for off-road parking, plus lovely, well-tended gardens to both the front and rear.

This is a wonderfully versatile home, equally well suited to couples or small families looking for a permanent island base, as it is to those seeking a holiday home or holiday let opportunity on Arran.

Inside, the accommodation includes an entrance vestibule leading into the hallway, a bright lounge/dining room with those fabulous Goatfell views, a fitted kitchen and two good-sized double bedrooms, both with built-in storage.

A cracking bungalow, in a cracking location, with views that are hard to beat.

Services

Solar panels were installed in March 2026, with a 5kw battery, offsetting the running costs considerably.

Short term let holiday license

Woodlea comes with a short-term let license, presenting a unique opportunity for those considering rental options.

Although not being sold as a business, the property could be offered as a turnkey solution, with all fixtures, fittings, furniture, and equipment available by separate negotiation.

The STL License is issued by North Ayrshire Council, and last for 3 years (was renewed on May 2026) and if the new buyer wishes to continue operating the cottage as a STL, our seller (Host) will apply for a Variation of the licence, inviting North Ayrshire Council to substitute the new buyer as the Host.

A little more information

Woodlea enjoys a wonderfully convenient yet elevated position in Brodict, Arran's main village, combining easy access to local amenities with lovely views and the feeling of being slightly tucked away from the bustle of village life.

Brodict is very much at the heart of island life and offers an excellent range of everyday amenities, including independent shops, cafés, restaurants, hotels and bars, together with the ferry terminal providing regular connections to the mainland. For those who enjoy the outdoors, there is certainly no shortage of choice, with an 18-hole golf course, tennis and bowling clubs, beautiful woodland and coastal walks, and the extensive leisure and spa facilities at Auchrannie Resort all close at hand. The village is also the gateway to some of Arran's best-known scenery, with Brodict Bay, Brodict Castle and the dramatic backdrop of Goatfell all forming part of the local landscape.

Families are well catered for, with Brodict Primary School providing early years and primary education, while secondary pupils attend Arran High School in nearby Lamlash, with school transport available.

Often described as 'Scotland in Miniature', the Isle of Arran offers an enviable way of

life. From rugged mountain peaks and sweeping beaches to sheltered bays, forests and peaceful countryside, the scenery is wonderfully varied. Add to this a thriving local community, excellent food and produce, sporting and outdoor pursuits and a busy calendar of island events, and it is easy to see why Arran is such a special place to call home.

Woodlea's location makes the most of all of this – peaceful and elevated, yet with the centre of Brodick and everything the village has to offer within easy reach.
