In Detail

A fresh and vibrant two double bedroom top-floor apartment forming a small low-rise boutique development in Crystal Palace.

The property was build completed approximately seven years ago and the apartment is one of the best units, positioned at the rear. The owners have injected character with stylish decor and a bold use of colour which complements the premium finish and feel of the accommodation.

The reception room extends to 20ft and boasts a sky light and sliding doors to outside. The kitchen is socially open-plan and finished with light grey units, quartz countertops and a suite of integrated appliances. Both of the bedrooms are well proportioned, whilst the sizeable storage cupboard in the hallway keeps items tidied out of the way. The bathroom is fully tiled and includes double vanity sinks, a heated towel rail, a rainfall shower, and contemporary stainless fittings. The outside terrace enjoys peaceful, elevated green views and provides a sunny sanctuary on pleasant days, with a due south aspect.

Further benefits include allocated parking, underfloor heating throughout, bike storage and residents building management.

This location is well connected, with West Norwood and Gipsy Hill rail stations nearby, along with bus routes running directly along the road. Norwood Park is just moments away, popular with dog walkers and joggers alike. A wide choice of shops and everyday amenities can be found at the top of the road, with the vibrant Crystal Palace Triangle offering a wealth of restaurants, bars, and independent boutiques.
