Description

The property comprises a three-storey mid-terraced building, located opposite the desirable Brockwell Park. The building is currently operating as a bar at ground floor level with strong presence over the last 15 years. The upper first & second floors offer ancillary accommodation currently configured as a 2-bedroom flat.

The bar is accessed directly from street level, while the upper floors are accessed via an external metal staircase located to the rear of the property. The Property benefits from a Lambeth premises licence, covering the supply of alcohol and recorded music. This licence is transferable depending on future operator parameters.

The property presents opportunity for owner occupiers, investors and developers. Situated across from Brockwell Park the property benefits from high levels of passing traffic and footfall. For a developer, a high-level capacity study has been undertaken with potential for an all-residential scheme or a mixed-use scheme retaining the ground floor commercial element.

The property is offered with vacant possession.

Location

The property is situated in Herne Hill, on Dulwich Road looking out over Brockwell Park. The property occupies a primary position within a parade of mixed-use Victoria buildings.

Herne Hill Rail Station is a 3-minute walk away providing services into London Victoria, Blackfriars and Farringdon.

The location is serviced by a number of bus routes from stops located on Dulwich Road.
