# In Detail

We are delighted to bring to the market this three double bedroom Victorian terraced house on Mayall Road, a popular residential road in Herne Hill.

The property is well presented throughout, steps lead up to the entrance hall and the accommodation comprises a spacious double reception room with large bay window to front affording plenty of natural light, there are built in cupboards & shelving to both alcoves in the front section and a feature fireplace. The rear section of the double reception has a raised floor and sash window to the rear. Stairs down lead to the good-sized kitchen which has a range of wall & base units, integrated oven & hob, larder cupboard and two windows and door to the rear garden. On the lower level are two bonus basement rooms providing additional storage, and the main section having both a window and door to the side return.

The principal bedroom has two sash windows to the front, and an access point to the loft space. There are a further two double bedrooms, larger than average bathroom/shower room (with underfloor heating), and a separate wc. There is scope to extend into the loft space, side return and basement, all subject to the usual planning permissions/consents.

The rear garden is paved with plenty of space for a table & chairs for al fresco dining and entertaining family & friends.

Mayall Road is well located for central Herne Hill where there are a popular selection of restaurant & shopping amenities, railway station (Victoria, Thameslink, Blackfriars) and access to the vast expanse of Brockwell Park with its lido. The property is also served by Brixton with a vast array of shopping amenities, the popular Ritzy cinema, and that access to both Brixton Tube and railway station.
