In Detail

This meticulously renovated three bedroom Victorian house, measuring almost 1,100 sq ft, offers an exceptional blend of modern luxury and period charm, making it an ideal home for a growing family.

Beautifully finished throughout, the ground floor features elegant herringbone wood flooring and a bright, expansive through lounge with sash windows, creating a welcoming and airy feel. Every detail has been thoughtfully upgraded, including but not limited to full rewiring and re-plumbing, a new boiler, radiators, double glazed windows, and smart home additions including a Hive thermostat and Ring doorbell.

The brand new kitchen is a real showpiece, finished to a high specification with handleless cabinetry, quartz worktops and splashbacks, and a top of the range suite of Bosch integrated appliances including an oven, induction hob, extractor, and dishwasher, along with a Beko fridge freezer. The space is flooded with natural light thanks to a striking welded glass box bay window and bi fold doors leading out to the landscaped south east facing garden, complete with new perimeter fencing, patio and lawn.

A spacious downstairs WC and cleverly designed understairs utility area, with power and plumbing for a stacked washer and dryer, add further practicality. Upstairs, three generous double bedrooms are accompanied by a chic four piece family bathroom, featuring contemporary finishes throughout.

Perfectly located within easy reach of local amenities including popular restaurants such as Kudu, independent cafés, supermarkets, and the much loved Prince of Peckham pub, this home offers both style and convenience in one of Peckham’s most vibrant neighbourhoods. Offered chain free.
