## DESCRIPTON

Located in the heart of Sherston village, this character detached cottage is perfectly situated just a short walk away from the popular primary school and all the amenities on the beautiful high street. The front door opens into a good-sized kitchen/breakfast room which is fitted with a range of units and a useful pantry cupboard. There is also a separate large utility room with a downstairs toilet. The hallway leads through to a light and spacious living/dining room with French doors which open out onto a private, enclosed garden. Upstairs there are four double bedrooms, including a master bedroom with an en-suite shower room, and a family bathroom.

Stable Cottage is located behind iron gates on a private small holding, overlooking paddocks with horses. The garden is private and enclosed, and there is off-street parking for two cars.

## LOCATION

Just a few miles west of Malmesbury and close to the Cotswold border, Sherston offers the charm of a classic English village – complete with stone cottages, a bustling high street, and a strong sense of local identity. With its award-winning status as one of the best villages to live in the UK, Sherston is highly popular with families, professionals, and retirees looking for a peaceful but connected place to call home. For a village of its size, Sherston offers a fantastic range of amenities. The high street features a popular village shop with post office, a wine shop, a hairdresser, the popular Angel Café, and the excellent Rattlebone Inn. Sherston is well served by its own primary school; Luckington Community School in the neighbouring village also provides a great option. For secondary education, students typically attend the 'OFSTED Outstanding' Malmesbury School. A number of independent schools are also within easy reach – including Westonbirt School and Beaudesert Park – as well as various popular private schools in Bath, giving families a range of educational choices.

Sherston has good transport links with the A429 and A433 providing quick access to Malmesbury, Tetbury, and the M4 motorway. From here, larger hubs such as Bristol, Bath, and Swindon are within commuting distance. Kemble and Chippenham railway stations are about 20-25 minutes away by car and offer direct trains to London Paddington in under 70 minutes.
