Property Description

A beautifully presented five bedroom, three bathroom (two en suite), 2,494 sq ft / 231.7 sq m semi-detached family home set on one of Mill Hill's most sought-after leafy turnings, just moments from The Broadway.

Having been skilfully extended and refurbished in recent years, the house offers versatile ground-floor living spaces, including a stunning kitchen/living/dining room with floor to ceiling doors opening onto the garden, a TV/family room, a study, a utility room, and a guest WC.

Externally, there is a delightful rear garden with astro turf, and off-street parking to the front complete with an EV charging point.

Goodwyn Avenue is ideally situated for popular local schools in both the state and private sectors. Local shopping, restaurants, places of worship, and transport links are all within close proximity, as are the open spaces of Mill Hill Park and Arrandene. This property benefits from being just 25 minutes from central London, while offering a vibrant and welcoming community environment.

As agents we have not tested any apparatus, equipment, fixtures, fittings or services, and so cannot verify that they are in working order or fit for the purpose. As a buyer you are advised to obtain verification from your Solicitor/Conveyancer or Surveyor, if there are any points of particular importance to you. Reference to the tenure of the property is based on information given to us by the seller, as we well not have had sight of the title documents. You are advised to obtain verification from your Solicitor/Conveyancer. Before viewing a property, do please check with us as to its availability, and also request clarification or information on any points of particular interest to you, to save you any possible wasted journeys. Also, photographs are for illustration only and may depict items which are not for sale or included in the sale of the property. All sizes are approximate; all dimensions include wardrobe space where applicable. While we believe that the area of the property has been accurately calculated, any prospective buyer who considers this feature to be particularly important is strongly recommended to have the site measurements checked by their own surveyor before submitting an offer to purchase.
