Situated at the head of this desirable cul-de-sac within the sought-after village of Hurworth, this substantial detached family home occupies a superb corner plot with extensive gardens extending to the front, side and rear, offering a rare opportunity in today's market to acquire a property of size, scope and potential.

The delightful village setting is a major feature, with peaceful countryside walks close at hand and conveniently positioned within walking distance of highly regarded primary and secondary schools. Excellent transport links are also easily accessible, including the A1(M), A66 and Teesside International Airport, while Darlington and surrounding towns and villages are all within a short drive.

Internally, the spacious accommodation begins with a useful entrance porch leading into the welcoming hallway, together with a ground floor WC. The excellent-sized lounge enjoys windows to two elevations, flooding the room with natural light, while a large dining/family room provides excellent versatility for modern family living. The modern kitchen gives access to the garage, also housing the modern Worcester combi boiler.

To the first floor there are four bedrooms in total, comprising three generous double bedrooms and a well-proportioned single bedroom, currently used as an office, all served by the family bathroom featuring both a bath and separate walk-in shower.

Externally, the property continues to impress with generous parking and extensive wraparound gardens. To the left side in particular, offering

excellent further potential and, in our opinion, would lend itself perfectly to additional parking for a motorhome or caravan.

A rare combination of village location, generous plot, spacious accommodation and future potential, early viewings highly recommended.
