A substantial DOUBLE-FRONTED family home, steeped in history and offering fantastic potential.

'Cromwell House' occupies a highly sought-after position in the picturesque village of Hurworth and has been cherished by the same family for four generations, creating a home full of history, character and memories

The property offers generous, large-scale accommodation, with three large double bedrooms to the first floor, a nicely appointed bathroom with separate WC, and a bright landing with a large window overlooking the rear garden. The ground floor offers the flexibility of a potential fourth bedroom or separate reception room, alongside a kitchen/breakfast room, substantial lounge and dining room running from front to rear, spacious hallway and generous under-stairs pantry.

The property benefits from double glazing to the majority of the accommodation and gas central heating.

To the rear is a large, mature garden with established fruit trees, greenhouse, outside store and vegetable garden, a truly excellent space for families and keen gardeners.

Although the property would benefit from updating and modernisation, this is reflected in the asking price and provides an exciting opportunity to create a superb home tailored to individual taste and requirements. The combination of the size of the house, flexible accommodation and impressive garden offers exceptional potential.

From the front, the property enjoys lovely views towards 'All Saints Church', adding to its attractive historic setting.

Hurworth is a highly sought-after and well-regarded village, offering lovely walks, a strong community and

well-regarded primary and secondary schools within walking distance. There is also excellent connectivity, with the A1(M), A66, Darlington town centre and railway station all within a short drive, together with Teesside International Airport.

A large home, a wonderful garden, a wealth of history and fantastic potential, 'Cromwell House' is a rare opportunity to create a special family home in one of the area's most desirable villages.
