A truly exceptional and beautifully transformed family home, significantly improved and upgraded by the current owner with an impressive level of investment and little regard for cost. Situated within a highly sought-after cul-de-sac in the prestigious West End of Darlington, this stunning property is within walking distance of well-regarded primary and secondary schools, making it an ideal location for families.

The current owner has carried out an extensive programme of improvements both inside and out, creating a luxurious, stylish and move-in ready home. The original separate kitchen and dining room have been cleverly reconfigured into a fabulous open-plan dining kitchen, while quality flooring has been laid, extensive decoration and re-plastering undertaken, and internal doors replaced. The result is a home that has been finished to an excellent standard throughout.

The welcoming entrance hallway leads to a useful ground-floor WC and a generous front-facing lounge, with two windows flooding the room with natural light. To the rear is the impressive open-plan dining kitchen, beautifully appointed with a range of contrasting modern units, quartz worktops, breakfast bar, range cooker, pull out larder, large larder cupboard, Belfast sink, American fridge freezer, integrated washing machine, dishwasher and wine chiller. The space provides a superb setting for both family life and entertaining, with French doors leading onto a porcelain patio with multiple seating areas to the rear garden.

To the first floor are four well-presented bedrooms, with the principal bedroom benefiting from a contemporary fitted en-suite shower room. The remaining bedrooms are served by a fabulous family bathroom featuring a freestanding bath and separate shower cubicle, providing excellent accommodation

for a growing family.

Externally, the front driveway has been resurfaced, providing generous parking for multiple vehicles, leading to the garage which has an electric roller door, and houses the Baxi combi boiler installed in 2024. The generous rear garden is another real highlight, having been beautifully landscaped, lawn with raised beds and enjoying a favourable westerly aspect, making it an excellent space for relaxing and entertaining.

Further benefits include UPVC double glazing, a composite front door and gas central heating.

This is a property where the extent of the work and investment really must be seen to be appreciated. The current owner has significantly enhanced the property from the condition in which it was purchased, investing heavily in the quality, finish and presentation both inside and out. The level of expenditure required to recreate this home would be substantial, making this an excellent opportunity for a buyer seeking a luxurious home in one of Darlington's most popular locations.
