The Nightingale is an impressive four-bedroom home offering 1,977 sq ft of beautifully designed living space, combining generous proportions with an exceptional specification throughout.

Nestled in the idyllic grounds of Blackwell Grange, Havelock Park is located on the outskirts of Darlington. A haven of peace and tranquillity, picturesque Blackwell has long been a desirable place to live.

The welcoming entrance hall features useful storage and a WC, leading to a spacious lounge enhanced by an attractive bay window. At the heart of the home is a stunning open plan kitchen and family area, beautifully appointed with an Ellis shaker-style kitchen, Silestone worktops, a Quooker tap, feature island, handy larder and integrated Bosch appliances, including a fridge freezer, dishwasher, induction hob and cooker hood. A wine cooler adds an extra touch of luxury, while bifold doors flood the space with natural light and provide seamless access to the garden.

Practicality has been carefully considered, with a separate utility room fitted with an integrated Bosch washer and dryer, alongside additional storage and a useful boot room. A double integral garage with electric doors further enhances convenience, while an energy-efficient Panasonic air source heat pump, solar panels and EV charging point help create a modern, fully electric home.

Upstairs, the property continues to impress with four well-proportioned bedrooms. The luxurious principal suite benefits from a dedicated dressing area and an elegant en-suite featuring premium Hansgrohe and Ideal Standard Atelier sanitaryware, a walk-in shower, freestanding bath, vanity unit, illuminated mirror, heated towel rail and Porcelanosa tiling. Bedroom two also enjoys its own beautifully finished en-suite, while the family bathroom offers both a bath and separate shower, complemented by Porcelanosa tiling and Silestone shelving.

A dedicated study provides the ideal space for home working, while a large storage cupboard to the landing adds further practicality. Throughout the home, thoughtful finishing touches include spotlights, chrome switches to the ground floor and landing, USB double sockets and double-glazed windows.

Externally, The Nightingale benefits from paving around the property, a

brindle block-paved driveway, 6ft fencing to the rear garden and a professionally landscaped front garden with planting and turf included. With luxury specification as standard throughout, The Nightingale is a home designed to be enjoyed from the moment you move in.
