Kitchener Street, Darlington, DL3 6NJ

Offers in excess of £80,000

Council Tax Band: A

Offered to the market with no onward chain, this deceptively spacious two-bedroom property represents an excellent opportunity for investors and first-time buyers alike.

The accommodation briefly comprises a useful entrance vestibule opening to a welcoming lounge to the front, leading through to a bright and airy dining kitchen. To the rear is a useful utility room, along with a generous ground floor bathroom fitted with both a bath and separate shower cubicle.

To the first floor are two double bedrooms, providing comfortable living accommodation.

The property further benefits from uPVC double glazing and gas central heating via a recently installed combination boiler (fitted at the end of 2025), offering added peace of mind.

The location is particularly advantageous, being within easy walking distance of Darlington town centre, where a wide range of shops, restaurants, leisure facilities and transport links can be found, making it an ideal choice for both owner-occupiers and tenants alike.

Competitively priced in today's market, early viewings strongly recommended.
