GROUND FLOOR APARTMENT WITH GARAGE

A particularly appealing feature of this well-presented apartment is its ground floor position, combined with the valuable benefit of a private garage which can be accessed directly from the apartment hallway, a rare and highly desirable combination.

Ideally situated in this popular and convenient location, the property enjoys an attractive open aspect overlooking the Hopetown Railway Museum, whilst being within easy walking distance of a range of local shops, amenities and Darlington town centre. Darlington's main railway station is also readily accessible on foot, making this an excellent location for commuters and those seeking convenient town-centre living.

Ground floor apartments are particularly sought after, and this property is offered with NO ONWARD CHAIN, making it an attractive proposition for a wide range of buyers.

The accommodation benefits from double-glazed windows, electric central heating, an alarm system and security intercom entry, and briefly comprises: A spacious entrance hallway with a useful cloaks cupboard and direct access to the garage. The reception room provides ample space for both comfortable seating and dining, with an open aspect to the fitted kitchen, which is equipped with a range of integrated appliances.

There are two well-proportioned bedrooms, together with a nicely presented bathroom fitted with a white suite.

The combination of a ground floor position, direct internal access to the garage, convenient location and no onward chain makes this an excellent opportunity.
