The Durham has been laid out with the modern family in mind. An open plan kitchen, dining and family area provides a generous space for relaxing and enjoying time together. This is a home that perfectly combines functionality and sophistication, with a master en-suite, study and freestanding garage and two parking spaces.

Stylish bi-fold doors open out onto a garden at the rear, perfect for the summer months when you want outdoor and indoor spaces to blend together seamlessly.

Throughout the ground floor and first floor, the careful design in this home is evident. Spaces flow freely, allowing each room to work in unison. Functionality is combined with sophistication to make this a home that is flexible enough to deal with a growing family with changing needs.

With a B energy rating this new home outperforms traditional homes built in the 19th and 20th centuries – resulting in a significant saving over the course of a year.
