This impressive and exceptionally spacious five-bedroom detached family home is extremely competitively priced in today's market, with early viewings strongly recommended to avoid disappointment. Beautifully positioned on a lovely corner plot within this highly regarded modern development.

Built in 2016, this substantial property offers extensive and versatile living accommodation, making it ideal for growing families seeking more space. A welcoming, light and airy hallway leads to an inviting, cosy lounge to the front of the property, providing a comfortable setting for relaxing or entertaining.

To the rear, the heart of the home is the excellent dining kitchen, thoughtfully designed to offer both practicality and sociable open space. This flows seamlessly into a conservatory extension, creating an additional reception area with delightful views over the larger-than-average rear garden. Enjoying a favourable West aspect, the garden is perfect for making the most of afternoon and evening sunshine. Further enhancing the home is an integral single garage, a useful utility room accessed from the kitchen, and a convenient ground floor WC.

To the first floor, the property continues to impress with five well-proportioned bedrooms, offering flexibility for family life, guest accommodation or home working. The principal bedroom benefits from its own en-suite shower room, while a modern family bathroom serves the remaining bedrooms.

The property has been extremely well cared for and

improved by the current owner, featuring upgraded quality carpets from the original specification and high-quality fixtures and fittings throughout. There is uPVC double glazing, a double glazed composite front door, and gas central heating via a combi boiler.
