Council Tax Band: D

Occupying an enviable position in the very heart of Darlington's prestigious West End, where properties of this location and calibre are consistently in high demand, and we anticipate this to be no exception.

The current owner has significantly improved and thoughtfully reconfigured the property to an exacting standard, with little regard for cost, resulting in a beautifully appointed family home that effortlessly combines style, comfort and practicality.

A true standout feature is the stunning open-plan kitchen, dining, family room, an impressive hub of the home designed for modern living. The truly impressive kitchen is centred around a statement island and complemented by quality fittings, creating the perfect setting for entertaining or relaxed family time. Bi-fold doors open seamlessly onto the garden, enhancing the sense of space and brings the outdoors in.

The interior design throughout is both sumptuous and cohesive, with a bright and welcoming hallway including a ground floor WC, and the separate living room provides a refined retreat, featuring exposed parquet flooring, a striking floor-to-ceiling window with sliding patio door, and a log burner, blending character with contemporary comfort.

To the first floor are four excellent sized bedrooms, all tastefully decorated and well proportioned, complimented by the generous family bathroom, offering a corner bath alongside a double walk-in

shower for a touch of everyday convenience.

Externally, the property is nicely set back from the road, enjoying fabulous kerb appeal and generous parking to the front. There are private yet manageable gardens to the side and rear, together with a garage for storage.

Situated within comfortable walking distance of well-regarded primary and secondary schooling, and in one of Darlington's most desirable residential settings, this is an exceptional opportunity to acquire a truly impressive West End family home.
