Nestled within the highly sought-after West End of Darlington, this exceptional and beautifully maintained period residence offers an impressive level of accommodation arranged over three spacious floors. Thoughtfully improved and maintained by the current owners, the home effortlessly blends elegant and contemporary styling with a wealth of charming original features.

Upon entering, you are welcomed by a bright and inviting hallway which leads to two generous reception rooms, both offering versatile living and entertaining space with the added benefit of patio doors leading to the rear garden. To the rear of the property, a stunning kitchen/breakfast room serves as the heart of the home enjoying a beautifully appointed design. This space flows seamlessly into a useful utility room and a convenient ground floor WC. A substantial garage/workshop is also located to the rear, providing excellent storage, workspace potential, and secure parking.

The property boasts five well-proportioned bedrooms in total. The first floor hosts four bedrooms, including three spacious doubles and a good-sized single room, currently utilised as a home office. These are complemented by a stylish and contemporary bathroom with full size shower. Occupying the top floor is a further large double bedroom, enhanced by a dressing room/walk-in wardrobe and extensive eaves storage, which also houses the boiler. The top floor also features an en-suite shower room which has not been used as such for some years and is currently used as additional storage by the owners. Prospective purchasers may wish to consider remedial work before use.

Externally, the home enjoys a delightful south-facing garden to the front, perfect for relaxing and enjoying natural sunlight throughout the day, plus a manageable rear garden enjoying artificial lawn and paving. The property's striking double-bay fronted façade is defined by its original stained-glass bay windows, a standout period feature, complemented by additional stained-glass detailing to select windows, while the remainder of the home has been largely upgraded with double glazing for modern comfort and efficiency.

Ideally positioned within walking distance of Darlington town centre, local parks and well-regarded primary and secondary schools, this outstanding home offers both convenience and an enviable lifestyle.
