The property has undergone a programme of high-quality improvements including the installation of a Worcester Bosch combination boiler (2022), a luxurious reconfigured and extended bathroom (2024), featuring a double walk-in shower and compact bath, extensive replastering, redecoration, and an upgraded loft space with raised flooring, comprehensive insulation, lighting, power with newly fitted loft ladders. Internally, the accommodation comprises an inviting entrance hallway incorporating a ground floor WC, enhanced by an attractive exposed brick feature wall. To the front, a delightful bay-fronted lounge boasts stylish flooring and a feature fireplace with gas fire. A separate dining room offers a pleasant open aspect to the kitchen, complete with an open fire, useful under-stairs storage cupboard and French doors leading to the rear garden. The kitchen itself is well-proportioned and thoughtfully arranged.

To the first floor are two well proportioned double bedrooms, the principal bedroom benefiting from a bay window and built-in mirrored wardrobes, along with the beautifully appointed bathroom. The loft has been enhanced to provide an excellent, carpeted storage area with lighting, power and Velux-style window.

Externally, beautifully landscaped and maintained rear

garden offering, a perfect combination of style, comfort, and low-maintenance living, creating a private outdoor space ideal for both relaxing and entertaining. The well kept lawn provides a generous, year-round usable area, complemented by elegant stone pathways, decorative gravel features and thoughtfully planted borders with variety of mature shrubs and trees. A standout feature is a charming seating patio area, perfect for al fresco dining while additional patio spaces provide flexibility for social gatherings or quiet enjoyment, while a driveway to the front, further enhances its appeal.

Additional benefits include UPVC double glazing, plus wooden-framed double-glazed Velux window to the loft, and gas central heating.
