NO ONWARD CHAIN! 4 Steadman Court is a well-presented, two-bedroom house providing modern, town-centre living off Horncastle's ever-popular Queen Street within the town's Conservation Area.

Accommodation comprises a generous living room on entrance, stepping through to kitchen with utility and cloakroom; two front-facing bedrooms and family bathroom above. Externally, the property enjoys a low-maintenance South and West facing front garden and has one dedicated space (large enough for two cars) in Steadman Court's private parking area.

Within walking distance for most are this Georgian market town's range of services, amenities and schooling including the well-respected Queen Elizabeth's Grammar. The town is located halfway between the East Coast and city of Lincoln - public transport regularly running from the centre of Horncastle to both - while the inland resort of Woodhall Spa and adjacent villages of Tattershall and Coningsby offer further leisure and other amenities.
