- Senses Wellness centre with sauna, gym and swimming pool

Hampshire Lakes retirement village offers both attractive surroundings and a welcoming community for people who want more from their retirement. The wide range of facilities at Hampshire

Lakes create an environment designed to help you to enjoy modern retirement living. The Wellness Centre and Spa features a warm swimming pool, Whirlpool bath, steam room, sauna, and a fully equipped gymnasium, with fitness classes for all abilities. There are two treatment rooms also for podiatry, beauty treatments and physiotherapy. In the Village centre you'll find Cotton's deli and a bistro restaurant - both vibrant spaces where you can relax and entertain your family and friends. There comes a time when some extra assistance may be required to help complete those day-to-day tasks which were once dealt with more easily. The Village offers a comprehensive range of housekeeping and personal care services at various hourly rates through our registered Homecare service and housekeeping team. This is managed through separate contracts with individual residents. Each apartment pays a contribution to the running costs of facilities, support services and maintenance of the building and grounds which is known as the 'service charge'. The deferred sinking fund contribution goes towards a fund which builds up over time to meet the cost of major repairs and refurbishment works which are not covered by the monthly service charge. The contribution is payable on resale. Lakes News is the monthly newsletter published by the Hampshire Lakes Residents' Association.

All residents pay a contribution to the running costs of facilities, support services and maintenance of the building and grounds which is known as the 'service charge'. The deferred sinking fund contribution goes towards a fund which we build up over time to meet the cost of major repairs and refurbishment works which are not covered by the monthly service charge. The contribution is payable on resale.
