Hampshire Lakes retirement village combines idyllic lakeside surroundings and state-of-the-art facilities to create a welcoming community for people who want more from their retirement. Our village benefits from a warm, open and inviting community with many vibrant spaces for you to entertain friends and family. The wide range of facilities at Hampshire Lakes create an unrivalled environment designed to help you to enjoy modern retirement living.

Life at Hampshire Lakes offers the best of luxury retirement living combined with an independent lifestyle designed around you, creating a unique experience. A state-of-the-art wellness centre and spa offers a luxurious swimming pool, whirlpool bath, steam room, sauna, and fully equipped gymnasium. Nestled in the village centre we also have Cotton's deli and the restaurant - both vibrant spaces where you can relax and entertain.

We believe in promoting independence with dignity, whilst at the same time striving to maintain and improve your quality of life. We understand that life changes as you get older. There comes a time when some extra assistance may be required to help complete those day to day tasks which were once dealt with more easily. The village offers a comprehensive range of housekeeping and personal care services at various hourly rates through our registered homecare service and housekeeping team. This is managed through separate contracts with individual residents.

Anchor Assisted Living offers a lifestyle alternative for independently minded older people by providing the privacy of their own self-contained apartment, whilst having a wide range of hotel type services as well as being able to call upon our on-site professional care and support team. At Hampshire Lakes there are 14 one-bedroom and 2 two-bedroom Assisted Living Apartments with an ensuite bathroom, a sitting room and kitchenette. They are located close to the central facilities and personal care services and provide the perfect solution for those who seek care services whilst maintaining a real feeling of independence. These apartments come with a range of services included as part of a package, which includes laundry, utility bills, cleaning and one meal a day. The apartments also come with Anchorcall installed - our in-house 24-hour manned residents' support service.

All residents pay a contribution to the running costs of facilities, support services and maintenance of the building and grounds which is known as the 'service charge'. The deferred sinking fund contribution goes towards a fund which we build up over time to meet the cost of major repairs and refurbishment works which are not covered by the monthly service charge. The contribution is payable on resale.
