Offered to the market with no onward chain, this well-presented three-bedroom detached family home occupies a sought-after position within the ever-popular Ancells Farm development. While the property would benefit from a programme of modernisation, it has been well maintained throughout, providing an excellent opportunity for buyers to update and personalise to their own taste.

The ground floor offers generous and well-balanced accommodation, centred around an impressive 23ft dual-aspect living/dining room overlooking the rear garden, creating a bright and versatile space for both everyday family life and entertaining. The separate kitchen offers scope for extension or reconfiguration (subject to the necessary planning permissions), while the entrance hall also provides access to a convenient downstairs WC. An integral garage with external access and a private driveway complete the ground floor accommodation.

Upstairs, the property features three well-proportioned bedrooms, including two comfortable doubles with built-in wardrobes, alongside a good-sized single bedroom, ideal as a child's room, home office or nursery. These are served by a family bathroom.

A particular highlight of the property is the large south-facing rear garden, enjoying a sunny aspect and offering an excellent space for children, entertaining or future landscaping. To the front, the driveway provides off-road parking and leads to the integral garage.

In good condition throughout and situated in a sought-after residential location, this property represents an excellent opportunity for families seeking a ready-to-move-into home with flexible living space and no onward chain complications.

Ancells Farm offers a range of local amenities including a convenience store, takeaway options, a public house, and well-regarded schooling nearby, making day-to-day living highly convenient. The area is also close to a number of scenic walking routes and open spaces, including Fleet Pond Nature Reserve, which provides beautiful surroundings for leisure and

outdoor activities. A further benefit of Ancells Farm is the lifelong commitment from the council to provide free school transfer to Fleet Infant and Velmead Junior providing more flexibility and conveniences for families.

Fleet is ideally situated for access to the M3 and other major road links, along with its mainline station providing fantastic rail links to Waterloo, Basingstoke and Southampton. The local bus service also offers links to the surrounding towns of Farnborough, Aldershot and Farnham. Easy access to surrounding countryside including Fleet pond nature reserve, a notable beauty spot. In addition to the town's desirable location, contributes to why Fleet has recently been voted the best place to live in the UK by the Halifax quality of life study, and making Fleet a popular choice for families and commuters alike.
