Description

The building plot is located to the left of the entrance to Bishops Meadows, a new exclusive residential development of just 25 dwellings currently. The plan is for the erection of a 3 bedroom 2 storey dwelling with an attached garage of a total area of 207.2m², inc. garage 26.08m².

Planning Conditions

The development hereby permitted shall be begun before the expiration of three years from the date of this permission. Date granted there being 4/04/2024.

This permission shall be read in accordance with the Approved Plans & Documents listed below. The development shall thereafter be undertaken in accordance with these plans unless otherwise agreed in writing by the Local Planning Authority.

Notwithstanding the details specified on drawing 02002 P4, Plot 22 shall be constructed from natural stone. No building operations shall commence until details of the natural stone to be used have been submitted to and approved in writing by the Local Planning Authority. The development thereafter shall be undertaken in accordance with the approved details.

No building operations shall commence until a scheme detailing the positions, design, materials and type of walk, fence and other means of enclosure to be erected within and along the boundaries of the site have been submitted to and approved in writing by the Local Planning Authority. Such a scheme shall include details of the retention and repair of the stone wall positioned on the eastern site boundary. The development thereafter shall be undertaken in accordance with the approved details.

No part of the development hereby permitted shall be brought into use until all drives and any parking or turning areas are surfaced in a hard-bound material (not loose gravel) for a minimum of 5.0 metres behind the highway boundary. The surfaced drives and any parking or turning areas shall then be maintained in such hard-bound material for the life of the development.

Any proposed soakaway shall be located at least 5.0m to the rear of the highway boundary.

The hours of work during construction and the delivery of materials on to the site shall be restricted to 08.00-18.00 hours Monday-Friday, 08.00-13.00 hours Saturdays and no working shall take place on Sundays and Bank Holidays.

No development shall take place until the method of working during the construction phase, in the form of an environmental management plan, to include control of noise, vibration and dust emission has been submitted to and approved in writing by the Local Planning Authority. All subsequent construction shall be undertaken in accordance with the approved scheme unless otherwise agreed in writing by the Local Planning Authority.

In the event that contamination is found at any time when carrying out the approved development that was not previously identified it must be reported in writing immediately to the Local Planning Authority. An investigation and a risk assessment must be undertaken. Where remediation is necessary a remediation scheme must be prepared in accordance with the requirements of that condition and shall be submitted to and approved by in writing by the Local Planning Authority. Following completion of measures identified in the approved remediation scheme a verification report must be prepared and approved by the Local Planning Authority.
