Tucked just off Oving Road and surrounded by beautiful Buckinghamshire countryside, Chiltern View is a seriously spacious family home offering over 2,100 sq ft of accommodation, all arranged across one level.

The scale is what really sets this house apart. At its heart is a fantastic kitchen and dining room, with a large central island and plenty of room for family life. Alongside it, the main reception room is equally impressive, giving you proper space to relax, entertain and spread out.

There are four good-sized bedrooms, including a principal bedroom with en-suite, alongside further bathroom facilities, a separate utility room, study and conservatory. It is a brilliantly flexible layout that can easily adapt around family life, working from home or visiting guests.

Outside, there is just as much space to enjoy. A large garden wraps around the property with mature trees, plenty of room for children and a generous paved courtyard creating a private spot for outdoor dining and entertaining.

Despite the peaceful rural setting, Whitchurch is well placed for access into Aylesbury and the surrounding villages, giving you countryside living without feeling completely cut off.

A big, practical and incredibly versatile home in a lovely setting and one that genuinely needs to be seen to appreciate just how much space is on offer.
