Right in the heart of Brighton's North Laine, this well-presented two double bedroom first floor apartment offers bright, sociable living in one of the city's most sought-after locations.

The open-plan living and kitchen space stretches across the full width of the apartment, with large windows overlooking Jubilee Street that flood the room with natural light, perfect for relaxed evenings or entertaining friends. The kitchen is neatly arranged within the space, keeping everything connected without feeling cramped.

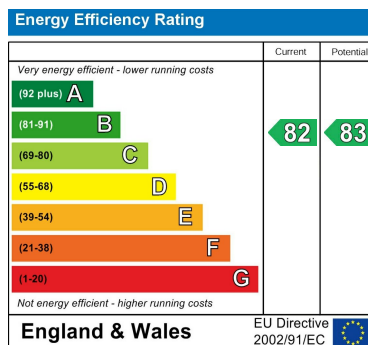

Both bedrooms are genuine doubles, making this an ideal option for professional sharers or anyone wanting a little extra space. The main bedroom benefits from its own en-suite shower room, while a separate modern bathroom serves the rest of the apartment.

Boulevard House is a popular building and homes here rarely come to market, thanks to the combination of generous living space and unbeatable convenience. Independent shops, cafés, bars and restaurants are all on your doorstep, and Brighton mainline station is within easy walking distance for commuters.

The property is offered part furnished and will be available to move into from 30th January 2026.

Please note: this is a car-free building, so parking permits are not available.
