If you are looking for a property that is ready to move into with no required works, then this could be the property for you.

This property consists of an entrance hall, a downstairs toilet, a kitchen and the lounge with patio doors opening to the rear garden. The first floor offers two double bedrooms and a family bathroom. The master bedroom includes an en-suite shower room and integrated wardrobes.

The property has access to a private garden and allocated parking.

The development has some incredible benefits - with its own shops and school. It also benefits from "pocket parks" which are dotted around the development for all the residents to enjoy giving it a real sense of community. Although a large development it is also extremely peaceful and this home, being located on Claremont Mews really gets the benefit.

The management company is on site and I am reliably informed that they are extremely helpful. There is CCTV throughout the development which is extremely comforting if you are security conscious.

Annual maintenance charge applies.

Dartford Train Station and Town Centre are also very easily accessible. They are just a short drive away or can be reached by the Fastrack bus service, the bus-stop is located just a few minute walk from Claremont Mews.
