A deceptively spacious Victorian style Terraced house which has recently been redecorated throughout. This charming property features two generously sized reception rooms on the ground floor, with the dining room opening directly onto the garden - perfect for entertaining or family gatherings. The kitchen/breakfast room is also of an excellent size and provides a fantastic space with access down to the cellar, which has also been redecorated. The cellar previously had some groundwater ingress through the floor during heavy rain, which is common locally. The floor has since been rebuilt with a membrane system by an experienced builder, and the cellar is now dry and used as a normal storage area. Upstairs, there are three well-proportioned bedrooms along with a family bathroom, making this an ideal layout for family living. The property enjoys excellent transport links being close to bus routes, Thornton Heath Mainline station and Norwood Junction BR/Overground station, which offers various routes into London, . Both Selhurst Park and the Whitehorse Meadow are local. The vibrant Crystal Palace Triangle is also within easy reach, offering a range of shops, cafés, and amenities. This property is also vacant and is being offered with no onward chain.
