Auction Guide £280,000

Situated on Wadham Close in Rowley Regis, this detached property represents an outstanding opportunity for investors, developers and builders seeking a project with significant value-add and redevelopment potential.

Occupying a generous plot at the head of a quiet cul-de-sac and backing onto the Rowley Hills, the property benefits from an attractive and private setting. The site has previously had planning approval granted for a detached new-build dwelling to the side, as well as a two-storey side extension and conservatory. There was also scope to reconfigure the existing layout to create a substantially larger family home, potentially offering three to five bedrooms, in line with a number of extended properties within the estate.

Although the previous permissions have now lapsed, the planning history clearly demonstrates the development potential of the plot, subject to obtaining the necessary consents. The surrounding estate provides strong precedent for enlargement and redevelopment, making this an appealing proposition for builders looking to maximise footprint and value.

The existing accommodation currently comprises an entrance hall, reception room with fireplace, kitchen leading to conservatory and garage, two first-floor bedrooms and a family bathroom. Externally, the property benefits from a substantial driveway, side lawn, garage and a generous rear garden mainly laid to lawn with a patio area.

With strong resale and rental demand locally, generous plot size and proven planning history, this property offers multiple exit strategies, including refurbishment and resale, extension and refinance, or full redevelopment. Early consideration is strongly advised for investors and developers seeking a project with genuine scope. JH 25/02/2026 V2 EPC=D
