Set within an exclusive private development of just five homes, this nearly new 2019-built detached residence offers approximately 1,604 sq ft of high-specification living space, finished to an exceptional standard.

The ground floor features a dual-aspect lounge with wood-burning stove and French doors to the side garden, a large dual-aspect study with bespoke timber desks, and an impressive kitchen/diner with fully integrated appliances including wine cooler and plate warmer, bi-fold doors to the rear garden, and internal access to the double garage. Solid oak flooring, underfloor heating, plantation-style window shutters, and a downstairs cloakroom complete the ground floor.

Upstairs are three double bedrooms, including a principal suite with dressing area and en-suite, plus a family bathroom.

Outside, the property enjoys a low-maintenance garden wrapping to the side and a double garage with electric doors, incorporating a utility area and loft space. Further benefits include an air source heat pump and underfloor heating throughout.
