There is also a range of further workshops, a three-quarter carport and various stores. In addition to all this, the property is set in lovely extensive gardens with an adjoining paddock. In all, the plot extends to approximately 0.98 Hectares or thereabouts. The property is ideally situated, set in lovely countryside but just a few minutes' drive from the bypass and town centre. The present owner designed the property for economic and eco-friendly running, and has the benefit of ground source heating and extensive solar panels.
