Description

A spacious bungalow which can accommodate both growing families and those who require assisted living. The Oak is one of our most versatile properties, packing so much living space into a single floor. The lounge is the centerpiece of the Oak, an open, spacious area which is perfect for sitting back, relaxing, and taking in the ambience of your rear garden, which you'll be able to see and have access to via the double patio doors. So, if the weather outside is just too nice to miss, you can open your doors and let in the gentle breeze. Open spaces are a key feature of the Oak, with the well-sized kitchen / dining room giving ample space for keen cooks. Bedroom 1 offers complete ease of access, including an ensuite shower room with a toilet and shower. Bedroom 1 also comes with fitted wardrobes, with additional wardrobe space included in bedroom 2. A family bathroom completes the home. These energy efficient homes have high performance insulation built into the floor, walls and loft space. Heating is provided by an electric air source heat pump and solar panels are fitted to the roof. Off-plan buyers will have the privilege of customizing their home to their liking, being given the power to personalize their worktops, kitchens and flooring if they wish.
