Somerford Reach Phase 2 presents an exceptional opportunity to acquire a new home in the desirable rural community of Arddleen. This extension of the highly successful Cae Haulog development comprises 14 thoughtfully designed residences, situated conveniently between Welshpool and Oswestry, with easy access to the A483. The development offers a diverse selection of properties, including three-bedroom houses and bungalows, four-bedroom houses, and two smaller homes specifically designated for local first-time buyers at an affordable price point. Anticipated for completion in May/June 2026. Stuck in a chain - we may be able help with part exchange or chain breaking. Contact us for more details.

The Hornbeam presents an exceptional opportunity to acquire a substantial detached family home characterized by its inviting layout and naturally bright rooms. Featuring a large light-filled living room, and a separate dining room and study. Upstairs, the master suite boasts a walk-in wardrobe and en-suite, with three additional bedrooms and a family bathroom. Double garage, ample parking, and a southeast-facing garden complete this dream home.

Description

The key to the Hornbeam's appeal is its family friendly layout, which is most prominent in the kitchen. The kitchen is the hub of the home, with all the space you need to prep and cook meals, host, sit and enjoy spending time with your family. There are double doors to the garden which adds natural daylight into the home and creates perfect access for those summer nights spent in the garden. Double doors can also be found within the living room, giving the space a light and airy feel as you relax in the comfort of your own little haven. There is a separate dining room, study and ground floor WC and completing the ground floor is a utility room, providing ample space for appliances and additional storage. Heading upstairs, the main bedroom is something to behold. A luxury en-suite shower room and walk-in wardrobe, create the perfect bedroom space. The remaining three bedrooms all include fitted wardrobes and easy access to the main bathroom. The family bathroom features a WC, basin, shower, and free-standing roll-edged bath. All Primesave homes are traditionally built by skilled local tradespeople incorporating the latest high-performance insulation in the floors, walls, windows and roof spaces. Low carbon central heating is installed with an air source heating pump and solar panels are added as standard. For safety, there are mains power heat and smoke alarms together with a fire suppression sprinkler system. The Hornbeam comes with either a double garage, four parking spaces and southeast facing rear garden.
