Situated in one of Calderdale's premier residential locations, within the heart of Skircoat Green, lies this substantial stone-built period terraced residence, providing deceptively spacious and attractive family accommodation.

Just step inside this delightful family home and you cannot fail to be impressed by the accommodation provided, which briefly comprises an entrance hall, lounge, open-plan modern fully fitted dining kitchen, utility cellar, keep cellar, three double bedrooms (master with en-suite shower room), single bedroom, modern bathroom, gardens to the front and rear, UPVC double glazing and gas central heating.

The property provides excellent access to the local amenities of Skircoat Green and Savile Park, including outstanding schools, parks, shops, cafés and Calderdale Royal Hospital. The property also provides easy access to the Trans-Pennine road and rail network linking the business centres of Manchester and Leeds.

Very rarely does an opportunity arise to purchase such a quality and spacious family home in this sought-after location and, as such, an early inspection to view is strongly recommended.
