Offered for sale with no onward chain, this three-bedroom semi-detached house on Dividy Road, Bucknall, provides an excellent opportunity for buyers looking for a property they can modernise and make their own!

The property is dated in parts and would benefit from a programme of updating and improvement, but it offers a solid platform with plenty of potential, providing a great blueprint for creating a comfortable family home.

The accommodation offers three bedrooms, together with well-proportioned living accommodation and the usual amenities expected of a family home. While some areas would benefit from modernisation, the underlying space and layout provide a strong starting point for a buyer looking to add their own style and value.

The property would suit a first-time buyer looking for a project or a family seeking a home with scope to improve and personalise over time.

With no onward chain and plenty of potential to transform the accommodation, an early viewing is highly recommended to appreciate the opportunity on offer!
