PRIME PENKHULL LOCATION AND FANTASTIC INVESTMENT POTENTIAL

Many properties in this area have been converted to HMO's but this house will appeal not only to investors but also to families and first-time buyers.

The property is in very good order but in need of some general updating and decoration and has the benefit of three bedrooms on the first floor... although bedroom one is currently accessed through bedroom two it will be an easy matter to create an extension to the landing.

The house has gas central heating from a combi boiler, UPVC double glazing throughout and a small potential patio area.
