CORNER PLOT + EXCELLENT ACCOMMODATION AND FINISH

Without a doubt one of the most desirable detached properties in the area and a house which could potentially offer scope for extension if required and subject to appropriate consent being obtained.

The property has been maintained and improved to a high standard and is set within immaculate grounds including extensive lawned corner gardens and a private imaginatively laid out rear garden with large patio areas and a substantial garden shed.

Inside the property you will find well proportioned family sized accommodation with a comfortable lounge, full width kitchen and dining area and also a double glazed conservatory to the rear.

The attached garage has been used as a gym and features light, power and a roller shutter door, the property has UPVC double glazing throughout and heating is from a gas central heating system.

There is plenty of off road parking space in the block paved driveway and the house is only a short walk away from neighbourhood shops.
