Greenside Avenue at Stockton Brook is a desirable place to live and this traditional semi-detached house is competitively priced, is ready to move into but offers significant opportunities for general updating. In particular we imagine that buyers will wish to refit the kitchen and downstairs cloakroom/WC as well as the upstairs bathroom which already has a walk-in shower as well as a bath.

All three bedrooms are of a really sensible and practical size as is the kitchen and the lounge and dining room which are at present separated by an open archway.

There is a driveway to the front and side of the house, imaginatively laid out gardens, UPVC double glazing throughout and gas central heating.

Contact us without delay and we will be delighted to arrange an appointment to show you around.
