19 Heathwood Grove, Cardiff CF14 3RD

This charming property offers an exciting refurbishment opportunity for a buyer with vision and some DIY skills, presenting the potential to create a spacious and characterful family home in a highly sought-after residential cul-de-sac. The property occupies the right-hand side of a pair of traditional pre-war, bay-fronted semi-detached houses, featuring lower elevations of attractive facing brick, upper elevations of painted rough-cast render, and it has a slate roof. To the front, there is a paved garden area together with a driveway providing off-road parking and access to the garage. To the rear lies a beautifully proportioned lawned garden, enhanced by a rich variety of mature shrubs and trees, offering both privacy and a lovely outdoor space for families or keen gardeners. Internally, the property benefits from gas central heating, provided by a floor-standing Ideal Mexico boiler located in the kitchen, with radiators installed throughout most of the house. A number of the windows are double-glazed. Tenure is Freehold, and the property falls within Council Tax Band F. According to Natural Resources Wales, the property is considered to be at very low risk of flooding.

The location is consistently popular, offering excellent access to the University Hospital of Wales at Heath, and convenient commuting links to Cardiff city centre. A wide range of local amenities are close at hand, including bus and train services, well-regarded primary and secondary schools, and a variety of parks and leisure facilities. Nearby green spaces include the highly regarded Heath Park and the beautiful Roath Park, renowned for its scenic lake and recreational amenities — all within easy reach of the property.
