Nestled in the heart of the ever-popular Coppermill area of Walthamstow, this beautifully presented two-bedroom Victorian mid-terrace home effortlessly combines period character with contemporary comfort. Set on the sought-after Chester Road, this property enjoys a peaceful residential setting while being just a stone's throw from the vibrant life of Walthamstow's village feel and green spaces.

Upon entering the home, you are welcomed by a light-filled bay-fronted reception room to left — a perfect space to unwind or entertain. The adjoining dining room flows seamlessly, offering a versatile open-plan feel that suits both relaxed family meals and lively dinner parties. To the rear, the charming kitchen provides direct access to the generous rear garden, offering a tranquil outdoor retreat, ideal for al fresco dining or a peaceful morning coffee.

Upstairs, you'll find two well-proportioned double bedrooms, both offering plenty of natural light and ample storage options. The main bedroom spans the width of the house and retains the classic Victorian proportions and charm. A real highlight is the spacious upstairs bathroom — a rarity for period properties — which features both a bathtub and separate shower, as well as a bright and airy layout thanks to its thoughtful positioning at the rear of the home.

This property retains many original features and has been lovingly maintained, offering a blend of warmth, practicality and Victorian charm. With scope to personalise or extend (subject to planning), this home is ideal for young families, couples, or those looking for a characterful home in a connected yet tranquil part of Walthamstow.

Location Highlights: Chester Road sits in the desirable Coppermill enclave — a peaceful, community-minded neighbourhood tucked between the lush open spaces of Walthamstow Marshes and the bustling charm of Walthamstow Village. You're moments from the scenic Wetlands, offering miles of walking and cycling paths along the River Lea and into Hackney and beyond.

Walthamstow Central and Blackhorse Road stations are both within easy reach, providing excellent

Victoria Line and Overground connections into Central London. The nearby Coppermill Lane offers independent cafés, bakeries, and pubs, including the much-loved Crate Brewery and the historic Chequers. A great choice of schools and nurseries, local markets, and creative hubs like God's Own Junkyard all contribute to the area's unique appeal.

This is a rare opportunity to own a slice of Walthamstow's Victorian heritage, thoughtfully updated and ready to move into, in one of East London's most loved neighbourhoods
