The ground floor opens with an entrance porch and hallway leading into a bright and characterful reception room, featuring a bay window, parquet flooring and an attractive fireplace. To the rear is a fitted kitchen which flows through to a separate dining room, where French doors open directly onto the garden, creating an excellent space for entertaining and everyday family life. A ground-floor bathroom completes this level. The first floor provides three bedrooms alongside a family bathroom, while the second floor has been converted to create an impressive principal bedroom. Generously proportioned and filled with natural light, this provides a fantastic private space away from the main bedroom accommodation. Outside, the property is complemented by generous gardens to both the front and rear. The rear garden provides a combination of patio and lawned areas with mature planting, while the substantial front garden is particularly noteworthy, with its own private gate providing direct access into Epping Forest. The property also benefits from a detached outbuilding/workshop and a large driveway providing off-street parking for multiple vehicles.

Belgrave Terrace occupies a particularly special position in Woodford Green, directly adjoining Epping Forest, allowing residents to step from the property straight into acres of woodland and open space. Despite its peaceful setting, the property remains well placed for everyday amenities, highly regarded local schools and transport connections. Woodford Central Line station is within easy reach, providing direct services towards the City and Central London, while the surrounding area offers a good selection of shops, cafés, restaurants and pubs.
