GUIDE PRICE £350,000 - £375,000

The ground floor opens into a welcoming reception room featuring a character fireplace, providing a comfortable space to relax. To the rear is a spacious kitchen/diner, offering plenty of room for both cooking and dining and retaining further period charm with exposed ceiling beams and a feature fireplace.

Beyond the kitchen is a particularly useful separate utility room, providing additional storage and direct access to the garden. A ground-floor bathroom completes the accommodation on this level. Upstairs, the property offers two generous double bedrooms, providing excellent space for couples, young families or those requiring a home office. The property also benefits from double glazed sash windows.

One of the property's real highlights is the good-sized rear garden, extending to approximately 44'4". There is ample space for outdoor entertaining and relaxing, with a garden shed providing useful additional storage. The property also benefits from side access.

A further advantage, particularly for such a centrally positioned period cottage, is the private driveway providing off-street parking.

Station Road is ideally positioned to enjoy everything Sawbridgeworth has to offer. The town provides an excellent selection of independent shops, cafés, restaurants, schools and everyday amenities, while Sawbridgeworth mainline station provides convenient services towards London Liverpool Street, Cambridge and Stansted Airport. With its combination of period character, recently improved accommodation, two double bedrooms, a generous garden and private parking, this is an excellent opportunity for first-time buyers, downsizers or commuters looking for a character home in a convenient central location.
