Positioned on Queens Grove Road in sought-after North Chingford, this beautifully presented 1930s home offers generous living space just moments from Chingford Station (0.2 miles), making it ideal for commuters. Nearby Station Road provides a vibrant selection of cafés, bars, restaurants and everyday conveniences including Tesco Express and Co-op Food. From the entrance hall, the home immediately impresses with crisp white walls, intricate mouldings and herringbone flooring flowing throughout the ground floor, creating a bright and welcoming feel that is ready to move straight into. To the front, a spacious lounge is filled with natural light from a large bay window and features an ornate fireplace, echoed in the adjacent modern kitchen diner. Designed for both entertaining and everyday family living, the kitchen/diner also benefits from a practical utility area. There is potential to extend the kitchen to the rear, creating a larger, more versatile space in the future, subject to planning permission (STPP). Upstairs, there are two generous double bedrooms, both offering excellent fitted wardrobe potential, alongside a third bedroom ideal as a nursery, home office or dressing room. A bathroom and separate W.C. complete the first floor. The loft provides excellent storage and exciting potential for further extension, subject to the usual consents. Externally, the property offers a driveway to the front, gated side access and a rear garden with a large patio and lawn, neatly divided by a fenced section with gate.
