This double bayed, semi-detached family home is ideal for those looking to make a property their own and is just 0.2 miles from Nightingale primary school, making this an ideal purchase for families.

On approach, the driveway and double bayed frontage all help to create a welcoming first impression. Stepping inside you have an open plan through reception room with a large bay window to the front allowing plenty of light to flood in.

The rear of the reception room creates an ideal dining area and the large patio doors with views over the rear garden creates a peaceful and light living space. A galley kitchen completes the ground floor accommodation.

Upstairs you will discover three bedrooms and a family bathroom. This chain free home could be extended to create a bedroom in the loft as well as a ground floor extension (STPP), which is ideal for those looking for a home to grow into, rather than grow out of.
