Both Waltham Abbey and Chingford offer a wide range of shops, restaurants and leisure facilities. Approached via an impressive gravel driveway, the property immediately makes a strong first impression with its immaculate rendered façade. The entrance, located to the side, opens into a spacious and light-filled hallway, from which the accommodation flows effortlessly, creating a wonderful sense of space and balance. The ground floor is presented to an exceptional standard with ceramic tiled flooring and comprises two well-proportioned bedrooms, a generous lounge/dining room, a contemporary fitted kitchen, and a stylish family bathroom. The bathroom is fully tiled in elegant high-gloss cream tiles and features both a large bathtub and a separate shower cubicle. The lounge is warm and inviting, centred around an attractive feature fireplace, and flows seamlessly into the dining area. This space is beautifully enhanced by bi-folding doors that open onto the garden, allowing natural light to flood in and creating an ideal setting for both relaxing and entertaining. The adjoining kitchen is finished in a modern style, with tasteful light grey units, light wooden worktops, and a comprehensive range of integrated appliances, including a double oven. Upstairs, the property offers two further double bedrooms along with useful storage space, making it a versatile home for families or those requiring additional room. Externally, the rear of the property benefits from a large garage and a well-maintained, low-maintenance garden. A raised decking area provides the perfect space for outdoor dining and entertaining, leading down to a lawn bordered by shrubs.
