Set within the much-admired Counties Estate, this attractive two-bedroom apartment enjoys a peaceful residential setting while remaining just moments from central Wanstead. Both Snaresbrook and Wanstead Underground stations are within a comfortable half-mile walk, providing excellent transport links, while Wanstead High Street offers an outstanding selection of independent boutiques, cafés, restaurants, and bars, all within easy reach. Combining tranquillity with exceptional convenience, this is a superb location for those seeking the best of village-style living with London on the doorstep.

The apartment offers beautifully proportioned accommodation, beginning with two generous double bedrooms, each retaining its original fireplace. The principal bedroom enjoys an elegant bay window overlooking the front, while the second bedroom is currently arranged as a formal dining room, complete with bespoke floor-to-ceiling storage flanking the fireplace. Positioned at the heart of the home, the contemporary shower room and stylish kitchen both benefit from natural light via their own windows.

Thoughtfully designed in a practical C-shaped configuration, the kitchen features a breakfast bar, integrated appliances, and space for a range cooker.

To the rear, the inviting living room opens directly onto the private, low-maintenance garden. French doors, complemented by full-height side windows, flood the room with natural light while providing seamless access outside and attractive year-round views.

A private gate leads to a secure shared side passage, providing convenient access to the front of the property, ideal for bicycle storage and the easy removal of household or garden waste. To the front, the apartment further benefits from shared off-street parking, a cellar and no onward chain.
